

## Volunteering to Support "Mobile Library"

Jakarta, 21 September 2013 - "Mobile Library" is a routine Corporate Social Responsibility (CSR) program of Tokio Marine Group which utilizes motorcycles to reach children who are economically underprivileged especially in Penjaringan & Kamal Muara, North Jakarta. Partnering with World Vision Indonesia, Tokio Marine Group employees are also encouraged to be a volunteer to participate in increasing a reading habit and learning activity of the children in Balai Nelayan, Kamal Muara, North Jakarta. This volunteer activity is also part of "Mobile Library" program.

In this event, all volunteers interacted directly with the children in several activities such as drawing, coloring, storytelling and puzzle game. Moreover, Tokio Marine Group also handed over children book donation to the community representative.

Similar event was also conducted in June 22, 2013 in which Tokio Marine Group's volunteers support the same program for the children in Penjaringan, North Jakarta. This volunteer activity will be conducted in monthly basis to assist those children who are economically underprivileged. These routine volunteer activity and book donation shows the excitement of Tokio Marine's employees in sustaining company's commitment to enhance children reading habit in Indonesia.
