IMPORTANT NOTES

1. The Application Form For Interbank GIRO will instruct your bank to make automatic deductions from your account for payment of premiums under the life policy.
2. Please complete the application form and sign it in the usual way as you would sign on your bank account before returning it to Tokio Marine Life Insurance Singapore Ltd..
3. As the GIRO system will normally **take 2 months to be effective**, you are required to make an initial payment of at least 2 months' premiums by cash or cheque if you have selected the monthly mode of payment. If your proposal form for a new policy is to be backdated to a certain date, additional payment of premiums to cover the backdated period is required.
4. The first deduction will be made on the **15th** of the month in which payment is due. If the first deduction is unsuccessful, a second attempt will be made on the **5th** of the following month. If there are insufficient funds, this GIRO instruction will be cancelled. **Please ask your bank about charges for unsuccessful deductions.**
5. If the deduction date happens to fall on a public holiday, the deduction will take place on the previous or next working day.
6. If you wish to discontinue payment through the GIRO system, please advise us in writing by giving **1 month's notice** before the next deduction date.
