RHB Bank together with its bancassurance partner Tokio Marine Life Insurance Malaysia Bhd (Tokio Marine Life) recently launched Essential FlexiLink, a comprehensive regular premium investment-linked plan that is designed to provide protection for policyholders and their families at all stages of their lives.

While providing protection in the event of Death or Total and Permanent Disability, Essential FlexiLink also offers a comprehensive range of customised optional benefits to enhance a policyholder's personal protection needs as well protect them from unforeseen emergencies and events while providing greater financial security.
