

Tokio Marine will continue to provide support for the Super Mind Dynamic Achievement Festival

Rawang, Apr, 19- Tokio Marine Life Advisor, Mr Malaiyarasan S/O Subramaniam informed that Tokio Marine would continue to provide support to the Achievement Festival of Super Mind Dynamic Education Center.

He said that more than 8 percent of Indian population in this country are living without insurance. This is a matter of concern.

Mr. Malaiyarasan also said that it has been made mandatory to take insurance policy for the house we purchase. Similarly, taking an insurance policy for the vehicle is also mandatory. However, for living human being there is no insurance; this is a matter of concern. People do not understand the importance of insurance yet.

Self Assertive Speaker, Teacher. M Ganesan told that, the Super Mind Dynamic Education Center had been conducting this Achievement Festival for the past 22 years. During this year, there was a financial crisis which stopped them from conducting this festival. It was when Mr. Malaiyarasan declared that he will take the full cost of this festival.

And now this festival is going on solely with Mr. Malaiyarasan's support. He added that, it is a pleasure to know that Mr. Malaiyarasan would provide support to conduct this programme in the years to come.

Super Mind Dynamic Education Center is conducting this Encouraging Programme every year for the students who performed well in their studies. He further added that this would boost the students to the maximum. He also expressed his gratitude to Tokio Marine Insurance Group which has joined in as an added force to the Super Mind Dynamic.
